EQUIPMENT REQUIREMENTS

WHO QUALIFIES?

Owners of off-road vehicles that have

- Operated 75% within the Bay Area annually for the past 2 years
- Fleets with less than 5,000 horsepower (hp)

WHAT QUALIFIES?*

OLD off-road equipment that is

- Powered by a 25 horsepower (hp) or greater engine
- An uncontrolled (Tier 0) engine
- Not currently under any local, state or federal regulation

NEW OR USED off-road equipment that

- Performs the same work as old equipment
- Has a power rating within 125% or less than the old equipment
- Meets the cleanest emission standard

*Not a complete list of requirements. Old equipment is removed from service and destroyed. New equipment must include a verified emission control device if feasible.

APPLY TODAY!

Beat the economy and get paid to replace your vehicle. The application process is simple. Ask your dealership representative for assistance or contact the Air District today!
